

College of Computer Networking Computer Networks Program

Mod	Course	Name	Units
1	NET100	A+ Repairing & Maintaining PCs 1	4
1	NET105	A+ Repairing & Maintaining PCs 2	4
1	NET115	IT Business Applications	4
2	NET206	Windows Clients	4
2	ELE250	Data Cabling and Management	4
2	NET250	Networking Concepts	4
3	COM259	UNIX Fundamentals	8
3	NET208	Windows Vista	4
4	NET209	Windows Servers	8
4	NET260	Linux Network Administration	4
5	NET220	Switches and Routers	4
5	NET230	Desktop Support I	4
5	SEC200	Introduction to Network Security	4
6	NET290	Network Design & Implementation	8
6	NET235	Desktop Support II	4
5	INT200	Culture, Custom, & Communication	4
6	INT210	Economy and Employment	4

Total 80 Units

Degree	Course	Name	Units
AS	ENGXXX	English/Communications	8
AS	HUMXXX	Social Sciences/Humanities	8
AS	MANXXX	Business/Management	4
AS	MATXXX	Math	4
AS	NET210	Wireless Networking	4
AS	NET215	Introduction to Virtualization	4
AS	NET265	Exchange Server	4

Total 36 Units

Degree	Course	Name	Units
BS	ENGXXX	English/Communications	8
BS	HUMXXX	Social Sciences/Humanities	12
BS	MANXXX	Business/Management	8
BS	MATXXX	Math	8
BS	NETXXX	Advanced Technology	16
BS		*Electives	20
		*Advanced SEC courses may be used as electives 16 units are required to receive dual BS in Network Security	

Total 72 Units

Effective Date: Jan 2009
